INSTRUCTIONS FOR FORM 511X

This form is for residents only.

Part-year and nonresidents must use Form 511NR to amend.

WHEN TO FILE AN AMENDED RETURN

If your federal return for any year is changed, an amended Oklahoma return shall be filed within one year. If you amend your federal return, it is recommended that you obtain confirmation that the IRS approved your federal amendment before filing Oklahoma Form 511X.

File a separate Form 511X for each year you are amending. No amended return may encompass more than one single year.

If you discover you have made an error only on your Oklahoma return we may be able to make the corrections over the phone instead of filing Form 511X. For additional information, call our Taxpayer Assistance Division at (405) 521-3160. Within Oklahoma, call toll-free (800) 522-8165. Operating hours are from (CST) 7:30 a.m. until 4:30 p.m.

When completing this form, it is recommended that you have the Resident Individual Income Tax Instructions booklet (511 Packet). The packet will provide detailed explanation. If you do not have a copy, one may be downloaded from our website (www.tax.ok.gov) beginning with tax year 1997 or you may order a packet for any tax year by calling our forms request line at (405) 521-3108. The request line is open 24 hours a day, 7 days a week.

BEFORE YOU BEGIN

The tax rates did not change during the tax years of 1990 - 1998. The tax rates also remained unchanged for the tax years 1999 - 2001, for tax years 2002 - 2003 and for tax years 2004 - 2005. Thus, if you are amending a 2000 return, you may refer to the tax tables for any year from 1999 - 2001.

All entries in column "B" must be substantiated by an enclosed document or your refund may be delayed. After completing your amended return, see the "**When You Are Finished**" section of the instructions for a complete list of necessary documents you must enclose with this return.

Any additional forms, necessary to complete this amended return, can be downloaded from our website (www.tax.ok.gov) beginning with tax year 1997 or can be ordered by calling our forms request line at (405) 521-3108.

SELECT LINE INSTRUCTIONS

All entries in column "B" must be substantiated by an enclosed document or your refund may be delayed.

- 1** Enter the Federal adjusted gross income. **Note: Enclose supporting documents for any adjustments to your Federal adjusted gross income.**
- 2** Enter subtractions to Federal adjusted gross income; such as interest from U.S. government obligations (no IRS interest), retirement income, social security benefits and depletion. A complete list of subtractions can be found in the Schedule 511-A instructions of the 511 Packet. **Note: Enclose supporting documents for any entry in column "B"; including any applicable depletion spreadsheets.**
- 4** Enter out-of-state income and identify as to type and site location. Out-of-state income is income from real or tangible personal property or business income in another state. This includes partnership gains and gains sustained by S-corporations attributable to other states. This does not include non-business interest, installment sale interest, non-business dividends, salary/wages, pensions or income from personal services. **Note: Enclose supporting documents for Column "B"; including any applicable oil & gas spreadsheets.**

- 14 and 19** The tax rates did not change during the tax years of 1990 - 1998. The tax rates also remained unchanged for tax years 1999 - 2001, for tax years 2002 - 2003 and for tax years 2004 - 2005. Thus, if you are amending a 2000 return, you may refer to the tax tables for any year from 1999 - 2001.
- 15** Enter the Federal income tax liability from your Federal return. Do not include self-employment tax. **Note: Enclose a copy of your Federal return for verification.**
- 20** If you have farm income, beginning in tax year 2001, you may elect to figure your tax by averaging your farm income over the previous three years. If you choose this option, you must use Form 573 to compute the tax. **Note: Enclose Form 573.**
- 21** A. Enter all non-refundable credits to Oklahoma tax; such as child care, taxes paid another state, biomedical research contributions (tax year 2005) and credits listed on the Form 511CR. C. Beginning in tax year 2003, you have the ability to remit "use tax" with your income tax return. Use tax is due on purchases from out-of-state retailers who do not collect Oklahoma sales tax. See the instructions in the 511 packet, beginning in tax year 2003, for more information on use tax and for the tables to help you compute the amount due. If you did not have any use tax on your original return and you are not amending to pay use tax, or if this amended return is for tax year 2002 or prior, enter zero.
- 25** **Enclose a schedule of payments by amount and date paid.** Underpayment interest is based on the tax on the original return. Do not include underpayment interest in your calculations.

Note: Forms 538-S and 538-H have different due dates; refer to those forms for information regarding their due dates and the availability of the credit.
- 28** This includes all amounts refunded to you, applied to next year's estimated tax and donated from your refund (for example, a donation to the Wildlife Diversity Program).
- If you originally filed a Form 511, use the amount from the line shown here:
2000: line 57 2001: line 31 2002: line 32 2003: line 34 2004: line 34 2005: line 35
