FILING INSTRUCTIONS AND DUE DATE:

If the Computer Industry Credit is being filed with an income tax return, the credit must be claimed as a refundable credit on the tax return. The income tax return claiming such credit must be filed no later than the original due date of the tax return. An extension of time for filing an income tax return does not extend the time period for claiming the credit. The credit should be claimed on the estimated tax line of the income tax return. Enclose Form 580 with the income tax return.

If the Computer Industry Credit is not being filed with an income tax return, the Form 580 may be filed as a stand alone form. The claim must be filed no later than the original due date of the income tax return. Claims filed during the fiscal year ending June 30, 2007, shall not be filed earlier than July 1, 2006, and the claims for each subsequent taxable year may be filed no earlier than July 1 of each of the applicable succeeding years. Mail Form 580 to the following address:

Instructions

Lines 1 - 3

Enter the qualified expenditures upon which the credit will be computed. Expenditures incurred January 1, 2005 through December 31, 2013 may be used for purposes of the credit calculation. Qualified expenses may be added together or considered independently, but the total upon which the credit is based cannot exceed \$2,333,333. Qualified expenditures incurred, but not used due to the \$2,333,333 limit, may be used on a succeeding year's Form 580.

Line 4

Total qualified expenditures. Add lines 1 - 3; cannot be more than \$2,333,333.

Line 5

Multiply line 4 by 15%. The maximum credit allowed during the fiscal year ending June 30, 2007; June 30, 2008; June 30, 2009 or each of the applicable subsequent fiscal years is \$350,000. **Note:** If claiming this credit on an income tax return, the credit should be entered on the estimated tax line of such return.

Definitions

“Qualified business enterprise” means an entity or affiliated group of entities electing to file a consolidated Oklahoma income tax return:

- a. organized as a corporation, partnership, limited liability company or other entity having limited liability pursuant to the laws of the State of Oklahoma or the laws of another state, if such entity is registered to do business within the state, a general partnership, limited liability partnership, limited liability limited partnership or other legal entity having the right to conduct lawful business within the state,
- b. whose principal business activities are described by the North American Industry Classification System by Industry No. 514210, 541512 or 541519 as reflected in the 1997 edition of such publication,
- c. that makes at least 75% of its sales to out-of-state customers or buyers which shall be determined in the same manner as provided for purposes of the Oklahoma Quality Jobs Program Act,
- d. that is a high-speed processing facility in Oklahoma utilizing systems such as TPF, zTPF or other advanced technical systems, and that, as of July 1, 2005, maintains an Oklahoma annual payroll of at least \$85,000,000 and an Oklahoma labor force of 1,000 or more persons.

“Qualified capital expenditures” means those costs incurred by the qualified business enterprise for acquisition of personal property to be used in business operations within the state that qualifies for depreciation and/or amortization pursuant to the Internal Revenue Code of 1986, as amended, during the taxable year for which the credit authorized by this section is claimed, or costs incurred to refurbish, repair or maintain any existing personal property located within the state.

“Qualified wages” means compensation, including any employer-paid health care benefits, to full-time or part-time employees of the qualified business enterprise if such employees are full-time residents of the state.

“Qualified training expenses” means those costs, whether or not deductible as a business expense pursuant to the Internal Revenue Code of 1986, as amended, incurred to locate, interview, hire and educate an employee of the enterprise who has not previously been employed by the enterprise and who is a resident of the state.

Notice

Effective July 1, 2011.

Tax credits transferred or allocated must be reported on Oklahoma Tax Commission Form 569. Failure to file Form 569 will result in the affected credits being denied by the Oklahoma Tax Commission pursuant to 68 OS Sec. 2357.1A-2.
