## **Please Read All Instructions Before Completing Application**

1. License plates will be issued with a **maximum** of six (6) letters or a combination of four (4) letters and up to two (2) numbers. This includes spaces and hyphens. No other punctuation or symbols will be used. A special license plate request that conflicts with the Oklahoma regular license plate numbering system or one which has been assigned to someone else will not be approved. Keep a record of your choices. No notification of the choice will be provided.
2. Your regular plate must be currently registered at all times. **Failure to renew the regular plate registration in a timely manner will result in a penalty.**
3. Once a special license plate has been assigned to an applicant, the applicant shall have priority to such plate for succeeding years, provided timely application for renewal and fee is submitted each year. To insure that you receive a renewal application each year, please notify the Motor Vehicle Division Special License Plate Section of any address change.
4. A special license plate is to be displayed on the rear of the vehicle for which it is issued. The regular license plate should be kept inside the vehicle.
5. Replacement license plate requests must be accompanied by a lost, stolen or mutilated affidavit. Contact this office for instructions.
6. A special license plate may be transferred to another vehicle upon request. You must submit a completed Request to Transfer Form (OTC Form 783-A) to the Motor Vehicle Division Accounting Section to transfer the special plate to a different vehicle. This form may be obtained from your local tag agency, the website at [www.oktax.state.ok.us](http://www.oktax.state.ok.us), or the Oklahoma Tax Commission.
7. Once your application has been accepted, no refund can be made.
