1. This special plate registration is in addition to, not in lieu of, your regular registration (i.e. standard license plate). Your regular registration must be kept current at all times. Failure to renew the regular registration in a timely manner may result in a delinquent registration penalty and/or possible law enforcement citation.
2. Once a special license plate has been assigned to an applicant, the applicant shall have priority to such license plate for succeeding years, provided a timely paid application for renewal is submitted. To insure that you receive a renewal application each year, please notify the Motor Vehicle Division Special License Plate Section of any address change.
3. A special license plate is to be displayed on the rear of the vehicle for which it is issued. The regular license plate may be kept inside the vehicle and produced upon request by law enforcement.
4. Replacement license plate requests must be accompanied by a lost, stolen or mutilated affidavit. Contact this office for instructions.
5. A special license plate may be transferred to another vehicle upon the owner's submission of a completed Request to Transfer Form (OTC Form 783-A) to the Motor Vehicle Division, Special License Plate Section. This form may be obtained from your local tag agency, through the Oklahoma Tax Commission website at www.tax.ok.gov, or from the Oklahoma Tax Commission.
