If any of the following six questions are answered "no" or any of the three requirements listed below cannot be provided you may not qualify for an Oklahoma New and Used Boat and Motor Dealer License.

- Yes No 1. This dealership maintains a display area capable of regularly displaying at least three (3) vessels or motors, or a minimum of one thousand two hundred (1,200) square feet, indoors or outdoors.
- Yes No 2. This dealership has annual sales of substantial numbers of new or used vessels or motors. "Substantial sales" normally means sale of five (5) or more vessels or motors, unless the applicant can show unusual circumstances justifying lesser sales.
- Yes No 3. This dealership consistently identifies the business as a dealer in advertising, signs, telephone book listings and the like. This dealership is clearly identifiable as such.
- Yes No 4. This dealership is located in an area where zoning laws permit such sales and commercial operation, if such zoning laws exist.
- Yes No 5. This dealership has regular hours of operation during the normal boating season - from May 1 through September 1, inclusive - on at least five (5) days per week.
- Yes No 6. This dealership provides a repair shop separate from the display room with ample space, parts, tools, and equipment to repair or recondition one (1) or more vessels or motors at the same time in such a manner as to make them comply with the safety laws of Oklahoma and fulfill the dealer's or manufacturer's warranty obligation.
