INSTRUCTIONS

Please Note: Use an original form and complete legibly to assure that your order is properly and promptly processed.

1. Complete all requested information regarding your wholesale company.
2. Enter total number of tax stamps of each type you wish to order on the appropriate line. (For example: one roll of tax stamps for 20-pack cigarettes is 30,000 stamps.)
3. Calculate the amount of tax due for each type of stamp ordered. (For example: 30,000 20-pack stamps for New Compact Tribes gross cost is \$25,725.00.)
4. Total "Tax Due" column.
5. Calculate total number of tax stamps orders, of all types and enter total in box indicated.
6. Calculate stamp purchase discount of \$.015 per stamp. (For example: the discount for 30,000 stamps is \$450.00.)
7. Indicate method of shipping, when applicable. If shipping costs are to be charged to your carrier charge account, include your account number. Otherwise, include shipping fees or postage amounts as are applicable to your order.
8. Subtract the stamp purchase discount from the Total Gross Value of the stamps purchased, add the shipping or postage costs, and attach your remittance in that amount.
9. Mail completed order blank with your remittance to:
