## RESIDENCE DEFINED

### RESIDENT...

An Oklahoma resident is a person domiciled in this state for the entire tax year. "Domicile" is the place established as a person's true, fixed, and permanent home. It is the place you intend to return to whenever you are away (as on vacation abroad, business assignment, education leave or military assignment). A domicile, once established, remains until a new one is adopted.

### PART-YEAR RESIDENT...

A part-year resident is an individual whose domicile was in Oklahoma for a period of less than 12 months during the tax year.

### NONRESIDENT...

A nonresident is an individual whose domicile was not in Oklahoma for any portion of the tax year.

### MEMBERS OF THE ARMED FORCES...

Residency is established according to military domicile as established by the Soldiers' and Sailors' Civil Relief Act.

If you were an Oklahoma resident at the time you entered military service, assignment to duty outside Oklahoma does not of itself change your state of residence. You must file your return as a resident of Oklahoma until such time as you establish a permanent residence in another state and change your military records. See the specific instructions for line 28 - Partial Military Pay Exclusion.

When the spouse of a military member is a civilian, most states, Oklahoma included, allow the spouse to retain the same legal residency as the military member. They file a joint resident tax return in the military members' State of Legal Residency (if required) and are taxed jointly under nonresident rules as they move from state to state. If the non-military spouse does not wish to choose the allowed residency of the military member, then the same residency rules apply as would apply to any other civilian. The spouse would then comply with all residency rules where living.

If both the military member and spouse are Oklahoma residents, they shall file a Form 511 residency return. In this case, you should include income of both spouses and take credit for tax paid another state, if applicable. If either spouse is a part-year or nonresident, they shall use Form 511NR.

## WHAT IS "RESIDENT INCOME?"

An Oklahoma resident individual is taxed on all income reported on the federal return, except income from real and tangible personal property located in another state, income from business activities in another state, or the gains/losses from the sales or exchange of real property in another state.

*Note: Residents are taxed on all income from interest, dividends, salaries, commissions and other pay for personal services regardless of where earned. Wages earned outside of Oklahoma must be included in your Oklahoma return, and credit for taxes paid other states claimed on Oklahoma Schedule E. (See line 46.)*

## WHO MUST FILE?

### RESIDENT...

Every Oklahoma resident who has sufficient gross income to require them to file a Federal income tax return is required to file an Oklahoma return, regardless of the source of income.

If you do not have a filing requirement, but have Oklahoma tax withheld or made estimated tax payments, do not file on Form 511 or 511EZ, but instead use **Form 511RF**. The Form 511RF is a claim for refund for resident taxpayers in this situation. You can obtain a Form 511RF by calling our forms request line at (405) 521-3108 or download the form from our website at [www.oktax.state.ok.us](http://www.oktax.state.ok.us).

If you do not have a Federal filing requirement and no Oklahoma tax was withheld or you did not make estimated tax payments, you are not required to file an Oklahoma return. Please be aware you received this packet because you filed an income tax return last year. If you are not required to file this year, please do not file a tax return. If you do not file a tax return this year, you will not receive a packet next year. If your situation changes in the future and you are required to file both Federal and Oklahoma returns, please contact us to request a packet.

### PART-YEAR RESIDENT...

Every part-year resident, during the period of residency, has the same filing requirements as a resident. During the period of nonresidency, an Oklahoma return is also required if the Oklahoma part-year resident has gross income from Oklahoma sources of \$1,000 or more. Use Form 511NR.

### NONRESIDENT...

Every nonresident with gross income from Oklahoma sources of \$1,000 or more is required to file an Oklahoma income tax return. Use Form 511NR.

## NET OPERATING LOSS...

Oklahoma NOLs shall be separately determined by reference to Section 172 of the Internal Revenue Code as modified by the Oklahoma Income Tax Act and shall be allowed without regard to the existence of a Federal NOL. Enclose a detailed schedule showing the origin and NOL computation. Residents use Oklahoma 511 NOL Schedules. Also enclose a copy of the Federal NOL computation.

Oklahoma Net Operating Losses may not be carried back\*. A Net Operating Loss may be carried forward for a period of time not to exceed 15 years. Title 68 O.S. Supp. 1993 Section 2358 (A) (3).

The Oklahoma NOL allowed/absorbed in the current tax year shall be subtracted on Oklahoma Form 511, line 6 (other subtractions) or Oklahoma Form 511X, line 2.

The Federal NOL allowed/absorbed in the current tax year shall be added on Oklahoma Form 511, line 13 (other additions) or Oklahoma Form 511X, line 6.

*\* Note: In the case of a taxpayer who has a farming loss, such farming loss shall be considered a net operating loss (NOL) carryback in accordance with and to the extent of Section 172(b)(G) of the Internal Revenue Code. However, the amount of the NOL carryback shall not exceed the lesser of (a) \$60,000.00, or (b) the loss properly shown on the Federal Schedule F reduced by half of the income from all other sources other than reflected on Schedule F.*

## ESTIMATED INCOME TAX...

You must make estimated tax payments if you can reasonably expect your tax liability to exceed your withholding by \$500 or more **and** you expect your withholding to be less than the smaller of:

1. 70% of your current year's tax liability, or
2. The tax liability shown on your return for the preceding taxable year of 12 months.

Taxpayers who fail to pay estimated tax may be subject to interest on underpayment. Form OW-8-ES, for filing estimated tax payments, will be supplied on request. If at least 66-2/3% of your gross income for this year or last year is from farming, estimated payments are not required. If claiming this exception, please see line 52a.

## WHAT IS AN "EXTENSION?"

A valid extension of time in which to file your Federal return automatically extends the due date of your Oklahoma return if no Oklahoma liability is owed. A copy of the Federal extension must be enclosed with your Oklahoma return. If your Federal return is not extended or an Oklahoma liability is owed, an extension of time to file your Oklahoma return can be granted on Form 504. **90% of the tax liability must be paid by the original due date of the return to avoid penalty charges for late payment. Interest will be charged from the original due date of the return.**

## ALL ABOUT DIRECT DEPOSIT

### WHY USE DIRECT DEPOSIT?

- You get your refund faster.
- Payment is more secure as there is no check to get lost.
- Convenience. No trip to the bank to deposit your check.
- Saves tax dollars. A refund by direct deposit costs less than a check.

### FILLING OUT THE DIRECT DEPOSIT BOX...

Please complete the direct deposit box on the tax return if you want us to directly deposit the amount shown on the refund line of your return into your account at a bank or other financial institution instead of sending you a check.

**First**, check the appropriate box as to whether the check will be going into a checking or savings account. Please keep in mind you will not receive notification of the deposit.

**Next**, fill out the routing number. The routing number must be nine digits. If the first two digits are not 01 through 12 or 21 through 32, the direct deposit will be rejected and a check will be issued instead. Using the sample check shown below, the routing number is 120120012.

**Last**, enter your account number. The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check shown below, the account number is 2020268620.

**Please Note:** The Oklahoma Tax Commission is not responsible if a financial institution refuses a direct deposit. If a direct deposit is refused, a check will be issued.

## ALL ABOUT REFUNDS...

**Remember, your return must be signed.** Once your return is filed, if you have any questions regarding your refund, please call (405) 521-3160. The in-state toll-free number is (800) 522-8165, extension 1-3160.

When your original return is timely filed, you may have any amount of overpayment applied to your next year's estimated tax. Refunds applied to the following year's Oklahoma Estimated Income Tax (at the taxpayer's request) may not be adjusted after the original due date of the return.

Be sure to check out the option of having your refund deposited directly into your checking or savings account. This option is available to those who file via Form 511 and Form 511EZ.

## WHEN TO FILE AN AMENDED RETURN

If your Federal return for any year is changed, an amended Oklahoma return shall be filed within one year. Request and file **Form 511X** and enclose a copy of the Federal Form 1040X, 1045, RAR or other IRS documentation. Part-year and nonresidents shall use Form 511NR. Please enclose a copy of the IRS refund or statement of adjustment.

If you discover you have made an error on your Oklahoma return, we may be able to help you correct the return. For additional information, please call our Taxpayer Assistance Division at (405) 521-3160. Within Oklahoma, call toll-free (800) 522-8165, extension 1-3160.

# 2000 511: SELECT LINE INSTRUCTIONS

## 3 Social Security

Social Security benefits that are included in the Federal Adjusted Gross Income shall be subtracted.

## 4 Oklahoma Government or Federal Retirement

The total exclusion from all retirement benefit plans may not exceed \$5,500 per taxpayer.

The retirement benefits must be received from the following: the Civil Service of the United States, any component of the Armed Forces of the United States, the Oklahoma Public Employees Retirement System of Oklahoma, the Oklahoma Teacher's Retirement System, the Oklahoma Law Enforcement Retirement System, the Oklahoma Firefighters Pension and Retirement System, the Oklahoma Police Pension and Retirement System, the Employee retirement systems created by counties pursuant to Sections 951 et seq. of Title 19 of the Oklahoma Statutes, the Uniform Retirement System for Justices and Judges, the Oklahoma Wildlife Conservation Department Retirement Fund, the Oklahoma Employment Security Commission Retirement Plan, or the Employee retirement systems created by municipalities pursuant to Sections 48 - 101 et seq. of Title 11 of the Oklahoma Statutes. The total exclusion from all retirement benefit plans may not exceed \$4,400 per taxpayer. Any individual who claims the exclusion for government retirees on line 4, may not claim a combined total exclusion for both lines 4 and 5 in an amount exceeding \$5,500.

The retirement benefits must be received from the following and satisfy the requirements of the Internal Revenue Code (IRC): an employee pension benefit plan under IRC section 401, an eligible deferred compensation plan under IRC section 457, an individual retirement account, annuity or trust or simplified employee pension under IRC section 408, an employee annuity under IRC section 403 (a) or (b), United States Retirement Bonds under IRC section 86, or lump-sum distributions from a retirement plan under IRC section 402 (e). The tax liability is the Oklahoma income tax due less all credits except amounts paid on withholding, estimated tax and extension payments.

*Note: No Underpayment of Estimated Tax Interest shall be imposed if the tax liability shown on the return is less than \$1,000.*

If you do not meet one of the above exceptions, you may complete Form OW-8-P or the Oklahoma Tax Commission will figure the interest for you and send you a bill.

**68 Delinquent Penalty and Interest**

# 2000 Oklahoma Income Tax Table 2

## Instructions...

Use this table if your taxable income is less than \$50,000 after you deduct Federal Income Tax.

If your taxable income is \$50,000 or more, use the tax computation on the lower quarter of page 26.

For an example, please see the box to the right.

## Example...

Mr. and Mrs. Smith are filing a joint return. Their Oklahoma Taxable Income after deducting Federal Income Tax is **\$21,760**. First, they find the **\$21,750 - \$21,800** income line. Next, they find the column for *married filing jointly* and read down the column. The amount shown where the income line and filing status column meet is **\$1,049** (see example at right). This is the amount they must write on the **Method 2** tax line on their return.

The Department of Human Services will make sales tax refunds to persons who have continuously received aid to the aged, blind, disabled or Medicaid payment for nursing home care from January 1, 2000 to December 31, 2000.

## INSTRUCTIONS

Follow the steps below to determine if you (or your spouse) are eligible to take the Sales Tax Relief/Credit.
