GENERAL INFORMATION

An extension of time to file your income tax return shall not be granted unless 90% of the tax liability is paid on or before the original due date of the return.

Since the Oklahoma return cannot be completed until the Federal return is completed, the Oklahoma Tax Commission has administratively adopted the policy of honoring the automatic Federal extension, when no additional state tax is due, as an extension of time to file the Oklahoma return. When you file your Oklahoma return, simply enclose a copy of the Federal extension.

Therefore, you only need to use this form to apply for additional time to file your income tax return when you owe additional Oklahoma income tax or you do not have a Federal extension. Also, corporations need to use this form when filing for additional time beyond that granted by the Federal extension. When you file your Oklahoma return, enclose a copy of the Oklahoma Extension.

Remember, you can not get an extension of time to pay your income tax, but only to file your return. Delinquent penalty of 5% may be charged, if at least 90% of your total tax liability has not been paid by the original due date. Delinquent interest, at the rate of 1.25% per month, may be charged if 100% of your tax liability is not paid by the original due date of the return.

You may make your extension payment via credit card, over the internet or by telephone. You can log on to our website at www.oktax.state.ok.us and click on the "Payment Options" link or you can telephone **1-800-2PAY-TAX**. There is a 2.5% convenience fee charged to utilize this service. When you finish, please retain the confirmation number for your records.

Important Note: If you make your extension payment by credit card, do not mail Form 504 unless you are requesting an extension of more than 6 months for corporations.

INSTRUCTIONS

1. An extension cannot be granted for more than one-half the accounting period covered by the individual return (i.e. 6 month extension for a 12 month tax year). In the case of a Corporate return, an extension may not exceed a total of 7 months.
2. Applications for extensions of time must be post-marked on or before the due date for filing the income tax return, or before the expiration of the automatic Federal extension.
3. An automatic extension, without request, is granted to members of the active military service serving outside the United States or confined to a hospital. Such extension is granted to the 15th day of the third month following their return to the United States, or their release from a hospital.
4. This application may not be used to request an extension of time for the payment of tax. Interest will be charged at the rate of 1.25% per month from the original due date of the return until paid.
5. If husband and wife file separate returns, each must file application for an extension. Attorneys or agents for the taxpayer must prepare separate applications for each extension requested.
6. Any extension granted is pursuant to the provisions of Section 216 of the State Tax Uniform Procedure Act and the Oklahoma Tax Commission.
7. **Do not use this form to remit franchise tax. The remittance of estimated franchise tax must be made on a tentative (estimated) franchise tax return (Form 200 or 215).**
