MULTIPLE INJURY TRUST FUND ASSESSMENT

(Title 85 O.S., Section 173, summarized)

Insurance carriers writing workers' compensation insurance in Oklahoma, CompSource Oklahoma, and self-insured employers, including group self-insurance associations, shall pay quarterly to the Oklahoma Tax Commission an assessment for the Multiple Injury Trust Fund in an amount not exceeding six percent (6%) of gross direct written premium (for workers' compensation insurers and CompSource Oklahoma), normal premium (for group self-insurance associations), and actual paid losses (for individual self-insured employers). The assessment rate is determined annually by the Workers' Compensation Court Administrator pursuant to a statutory formula. Notice of the rate is provided to payors by May 1 of each year. The rate is for the four-quarter assessment period of July 1 to June 30. Uninsured employers (those who do not secure their workers' compensation obligations) are assessed five percent (5%) of their total compensation paid for permanent disability and death awards.

Assessments are due on the 15th day of the month following the end of the calendar quarter and are based on the payor's premium or losses, as applicable, during the quarter. Failure to make assessment payments, or to timely notify that payment was made, may result in administrative penalties, including but not limited to, the greater of \$500 or 1% of the unpaid amount. Notice of each payment must be given to the Oklahoma Insurance Commissioner, if the payor is an insurance carrier or CompSource Oklahoma, or to the Workers' Compensation Court Administrator, if the payor is an individual or group self-insurer.

Carriers and CompSource Oklahoma may charge one-third (1/3) of the assessment amount to policyholders. Such amount shall not be considered in determining whether any rate is excessive. The remaining two-thirds (2/3) of the assessment amount may not be included in any rate, premium, charge, fee, assessment or other amount to be collected from the policyholder. Insurance carriers and CompSource Oklahoma shall not separately state the amount of the assessment on any invoice or billing assessment.

TAX REBATE - MULTIPLE INJURY TRUST FUND ASSESSMENT

(Title 68 O.S. Supp. 2002, Section 6101)

All parties required to pay an assessment pursuant to Section 173 of Title 85 of the Oklahoma Statutes shall be entitled to receive a rebate equal to two-thirds (2/3) of the amount of the assessment actually paid, subject to application to and approval of the same by the Oklahoma Tax Commission. This rebate shall only apply to assessments due after January 15, 2002. This rebate shall not be considered in determining tax liability of an insurer pursuant to Section 629 of Title 36 of the Oklahoma Statutes.

B. Beginning January 1, 2003, the Oklahoma Tax Commission shall accept applications for rebates from all eligible parties for assessments paid pertaining to the previous calendar year. Failure to apply for a rebate on or before May 31 of each year shall result in forfeiture of the rebate. No rebates shall be paid until after July 1 of each year.

C. The Oklahoma Tax Commission may promulgate rules as necessary to effectuate the provisions of this act.
